Request For A Motion to Dismiss.

Michael J. Marshall, Pro se, hereby submits the following request for dismissal of this case. When reading through recent requests for various documents and such from the offices of attorney John Fredrickson, I noticed that the requests were directed to Michael C. Marshall. I then looked back through a pile of other documents submitted in this case to find Michael C. Marshall named as a defendant in all of them. I am, and always have been, Michael J. Marshall, and have never submitted or signed anything as Michael C. Marshall which could have caused this mistake. Therefore, I have chosen to ignore the requests and ask that the case against me personally be dismissed, as none of the documents submitted in this case have been properly directed to me.

Respectfully submitted,

MICHAEL J. MARSHALL
